

ROCKWOOD EXPANDS THEIR GEOMETEK COLLECTION

DOOR PULLS THAT GO BEYOND THE ORDINARY

Rockwood is proud to announce the addition of offset, leather wrapped and wood grip door pulls to their GeoMetek Collection. These new pulls are a must have element to a divinely designed interior.

Offset GeoMetek Pulls

The square and rectangular shapes of the GeoMetek Collection offer a narrow profile and clean lines. The new offset versions are best shown in pairs.

Upholstery Leather GeoMetek Pulls

Rockwood's Upholstery Leather door pulls are beautifully crafted and use 3 to 4 ounce leather. The leather is tightly wrapped and neatly sewn on the back. If you are looking for something unique ask for reverse stitching...the beautiful threads will be displayed on the front!

There are two standard leather colors to choose from or a universe of custom color options to match any interior.
