

The NeoMetrix line features GripZone — a satin finished grip area contrasting to the bright mirror finish at the ends. Not only visually appealing, this winning design is practical as well. The satin finish contact area hides small marks and scratches caused by rings, jewelry, and keys. On push bars, the GripZone identifies which side of the door swings open.

NeoMetrix™ with GripZone™

Straight Pulls

Pull No.	Diameter	CTC
RM3010	1"	12", 18"
