Every effort is made by McKinney to furnish finishes which do comply with the U.S. Standard. However, we cannot guarantee that our finish will match other manufacturers' finish. Where a special finish or a matched finish is required, a sample must be submitted with the order.

As part of their promise to provide innovative solutions to their customers, certain ASSA ABLOY Group brands offer the MicroShield® technology, a silver-based antimicrobial coating designed to inhibit the growth of bacteria.

- Suppresses microbes
- Long lasting
- Non-toxic
- Available on McKinney stainless hinges
- Lasts for the life of the hardware
- Specify MicroShield®

Agion's silver antimicrobial has been certified for its material content, recyclability, and manufacturing characteristics, Cradle To Cradle Certified<sup>CM</sup> products meet established standards for human health, environmental health and recyclability.

Cradle To Cradle Certified<sup>CM</sup> is a certification mark of MBDC.
