HANDLESETS

LARGER, SOLID 1 INCH BOLT

A NEW WAY IN.

All of Schlage's front entry door handlesets are precision-engineered, built with a rugged metal, and thoroughly tested to ensure maximum residential security.

And, to make sure they complement their surroundings, we offer a wide variety of designs and finishes — from angular to flowing, classic to contemporary.

- Grade 1 Highest Residential Security Rating
- Designed for strength and durability, tested beyond 250,000 uses
- Stronger, durable finish meets all industry requirements backed by a lifetime warranty
- Suites with Decorative Collection levers and knobs
- Easy 3-step deadbolt assembly

ADJUSTABLE THROUGHBOLT

The Schlage handleset's adjustable throughbolt slides up or down eliminating the need to patch or reglill your door. It provides an additional 1-1/2" flexibility.

DEADBOLTS

WHAT GOES IN, KEEPS THEM OUT.

Heavy, premium metal construction. An anti-pick shield and one-piece exterior to protect against tampering. Plated keyways to prevent key scratching. We put all of this into every ANSI Grade 1 Deadbolt we make.

- Grade 1 Highest Residential Security Rating
- Larger, solid 1 inch bolt
- Easy 5-minute installation with 3-piece assembly
- Guaranteed to fit on existing, standard pre-drilled doors
- Unique Snap & Stay™ holds deadbolt in place before you tighten the screws

WE DON'T JUST MAKE THE GRADE. WE BREAK IT.

Schlage® Deadbolts endure 300,000 cycles of testing (50,000 more than required for Grade 1 certification)

DEXTER BY SCHLAGE

FORM VS. FUNCTION. WE'RE NOT TAKING SIDES.

Inspired design. Proven, Grade 3 security, Dexter® door hardware by Schlage® performs without compromise—at a price that won't compromise your budget.

- Grade 3 Standard Residential Security Rating
- Keyable to match all Schlage products for one-key convenience
- Fits standard door preps
- Limited lifetime mechanical warranty and 5-year finish warranty

KEYPAD DEADBOLTS AND LEVERS

WE LOST THE KEY. SO YOU WON'T.

Say goodbye to lost, stolen and just plain forgotten keys.

With an easy-to-install Schlage keypad, coming and going is keyless, effortless and painless.

- Ideal for: front door, garage door, home office, wine cellar or utility closet
- Add, delete or change user codes in seconds. The keypad lock holds up to 19 unique codes

KEYPAD LEVER AND DEADBOLT

- Grade 2 Higher Residential Security Rating
- Designed for strength and durability. Lever tested beyond 400,000 uses; Deadbolt tested beyond 150,000 uses
- Metal construction adds strength, security and long life
- Wear-resistant silicone coated keypad so numbers won't wear off
- No wiring needed — all you need is a screwdriver

KNOBS & LEVERS

THEY OPEN DOORS. AND EYES.

More than simply protecting your home, Schlage Knobs and Levers protect the privacy of each room inside it.

They are built to do this for a lifetime, having been engineered, crafted and tested with durability in mind.

Plus, with an expansive range of designs to choose from, you'll be able to find a look that matches any space.

- Grade 2 Higher Residential Security Rating
- Highest residential security for a lever or knob product
- Available in Keyed Entry, Bed & Bath, Hall & Closet and Decorative Trim
- Guaranteed to fit on existing, standard pre-drilled doors
- Installs with a Phillips screwdriver

BUILDER'S HARDWARE

PULL IT TOGETHER.

Details. Flourishes. Finishing touches. Call them what you will, it's the little things that make the difference between a roughly sketched look and a cohesive, fully realized vision.

Featuring everything from door knockers to kickplates, hinges to door stops, Schlage hardware and accessories let you create a home that reflects your sense of style in every room—and on every level.

BUILT-IN ALARM TECHNOLOGY

STRONG. BUT NOT SILENT.

With Schlage's Built-in Alarm Technology, you'll hear instantly when someone goes in or out, tampers with your lock, or tries to force their way in. It's a whole new sense of security.

Customize the alarm settings to fit your security needs.

- **Activity Alert:** Know when someone goes in and out. Two short beeps let you monitor when the door has been opened or closed
- **Tamper Alert:** Safeguard an entry door to prevent lock tampering. One long alarm sounds when the door knob or lever has been disturbed
- **Forced Entry Alert:** Protect against break-ins. A shrill, steady siren triggers at first impact

Available with select models of Keyed Entry Levers and Knobs, as well as Keypad Levers and Handsets.

PORTABLE SECURITY

SECURITY: YOU CAN TAKE WITH YOU.

With our portable cables and padlocks, you can bring the strength of Schlage wherever you need it, safeguarding valuable items both inside and outside of your home.

Made to our exacting standards and backed by a lifetime warranty, our portable security products help you protect your property anytime, anywhere.

NEXIA™ HOME INTELLIGENCE

RUN YOUR HOME FROM WHEREVER.

Meeting the everyday needs of households

The beauty of Nexia™ Home Intelligence is that it can be adapted to any size and style of home—at any point, by the homeowner. With its backwards-compatible, open architecture platform, it is designed to work smartly today and be updatable through firmware in the future.

SCHLAGE® ELECTRONIC LOCKS

The Touchscreen Deadbolt features a fingerprint-resistant surface and a strong motorized deadbolt. The Schlage Home Keypad Deadbolt and Lever features a non-wearing keypad (lighted for nighttime use) and wireless operation.

SCHLAGE® HOME APPLIANCE OR DIMMER MODULE

Modules allow homeowners to control their lights and small appliances even when they are not there.

NEXIA HOME BRIDGE

As the system's brain, the Nexia Bridge connects all the Nexia-enabled components to the Internet.

TRANE® HOME ENERGY MANAGEMENT THERMOSTAT

Compatible with all brands of central heating and cooling systems, Trane's seven-day programmable thermostat enables homeowners to control, monitor and schedule energy usage from anywhere.

SCHLAGE® HOME INDOOR AND OUTDOOR CAMERAS

FCC-certified, Schlage IP wireless color cameras allow homeowners to record, store and view video of their home—right from their smart phone or computer.

SCHLAGE® HOME MOTION SENSOR AND SCHLAGE® HOME DOOR/WINDOW SENSOR

Designed to detect movement at doors and windows, the sensors allow homeowners to remotely identify whether a door or window is opened or closed.
